

## Unit selection form

Name:

Credits:

email address:

<b>Unit</b>	<b>Selection (Tick or cross)</b>
Arithmetic of fractions	
Arithmetic of exponents	
Simplifying expressions	
Factoring expressions	
Linear equations	
Word problems: linear equations	
Word problems: percentages	
Geometry: angles and triangles	
Geometry: areas and volumes	
Systems of linear equations	
Linear inequalities	
Quadratic equations	
Word problems: counting and probability	
Statistical concepts	
Primes and divisibility	
Polynomial equations I	
Polynomial fractions	
Word problems: polynomial equations	
Division of polynomials	
Polynomial equations II	
Trigonometry	
Applications of trigonometry	

Other units from TATP website that you want to do (if not doing T.A.T.P in the spring)?
